

Eastern Regional FFA State Officer Participation Leadership Opportunities For State FFA Officers At The Big E

There is a need for a large number of State FFA Officers to assume youth leadership roles at the Eastern Region's Big E Activities on September 16 and 17. As the person in charge of making these assignments, Mr. Richard Strangeway needs the names addresses and telephone numbers for those officers who will be attending and are willing to participate in a leadership role at some of the various FFA events which go on during this time. He is asking State Contacts to inform their State FFA Officers of this opportunity telling them to complete the sign-up sheet which is on the Big E web site. These forms must be returned to The Big E FFA Coordinator by August 1 for the State Officers to receive conformation of their assignments by September 1 by Mr. Strangeway.

The officers may sign up for as many areas as they wish. We would like each of the states represented at the head table at the Awards Banquet. It is essential that all State Officers know their parts of the opening and closing ceremonies.

Past experience tells us the need is greatest on Friday afternoon and evening when states are just arriving.

Friday afternoon	36 State Officers
Friday evening	12 State Officers
Saturday morning	30 State Officers
Saturday afternoon	17 Flag Bearers – Stars program & parade (these should be officers who are not scheduled for a leadership role in the Awards Banquet.

State Officers are elected to serve the FFA and the whole organization makes a good impression on the fair goers when they see responsible State FFA Officers as leaders. Here is your opportunity to shine as well as serve. If there are Chapter Officers who will be attending and would like to assist please have them sign up also.

Please mail all forms to:

Mr. Richard Strangeway
