MEMORIAL
AVENUE
MERCHANTS'
DIRECTORY**

SEPT. 12-28, 2008

SEPT. 18-OCT. 4, 2009

COMPLIMENTS OF
EASTERN STATES EXPOSITION

This directory is the culmination of The Big E's effort to alert you, our friends, exhibitors and employees, about the products and services that are available to you in the Memorial Avenue area.

We recognize that at fairtime and during the year-round activities at the Exposition grounds, you will have needs for goods and services. You should know that most of those goods and services are available just a few feet away.

We get requests all the time about where to eat, where to shop and where certain specialized services, such as auto repair, can be obtained. This Directory is being provided to help you find those services and to utilize the help which our neighbors on Memorial Avenue can provide.

Remember, if you need a special service or product, you only need to look in the Memorial Avenue Merchants Directory.
